

# Park City Family Office®

Where Wealth Management & Family Governance Converge

Park City Family Office works with affluent families who aspire to preserve their family's legacy for generations. These families are focused on wealth creating events and the generational issues that follow.

**Families. Entrepreneurs. Life Transitions – we're here for you.**

Our team creates solutions that are tailored to meet the individual needs and goals of every family. We provide a highly-specialized multidisciplinary team of professionals that work in harmony to support your unique needs, from attorneys, investment bankers, and wealth strategist, to accountants, and bookkeepers, all under one roof.
